****The Cal State Student Association (CSSA) is a public body, and members of the public have a right to attend and participate in its meetings. This schedule of meetings is established as a best approximation of how long each scheduled meeting will take to complete its business. Each meeting will be taken in sequence, except in unusual circumstances. Depending on the length of the discussions, which are not possible to predict with precision in advance, the scheduled meeting times indicated may vary widely. For multi-day meetings, items scheduled for one day may be heard either the day before or the day after depending upon the time spent on each matter. The public and members are advised to take this uncertainty into account in planning to attend any meeting listed on this schedule.*
