

Subject: Resignation from the Senator of Social Justice Position

Dear Student Government Vice President Guajardo,

I hope this letter finds you well. It is with a heavy heart that I write to formally tender my resignation from the position of Senator of Social Justice, effective immediately. This decision has not been an easy one, but due to unforeseen circumstances, I find myself unable to continue fulfilling the responsibilities of this esteemed position.

Over the past semester, it has been an honor and a privilege to serve as the Senator of Social Justice. Working alongside dedicated colleagues and contributing to initiatives that aim to foster equality, inclusivity, and social change has been an immensely rewarding experience. I have gained valuable insights into the challenges faced by our community and have witnessed the positive impact that dedicated individuals can have when working together towards a common goal.

Unfortunately, recent developments in my personal and professional life have led me to a point where I am unable to dedicate the time and energy required for the effective execution of my duties as Senator of Social Justice. My current commitments demand my full attention, and it is with great regret that I acknowledge the impossibility of striking a balance between these responsibilities.

I want to express my deepest gratitude to you, my fellow senators, and the entire team for the support, encouragement, and collaborative spirit that defined our shared efforts. It is my sincere hope that the work we have initiated together will continue to thrive, and that the goals of promoting social justice and equity in our community will be further advanced under new leadership.

I look forward to maintaining connections with the incredible individuals I have had the privilege of working with during my tenure as Senator of Social Justice. Although my role within the organization is changing, my dedication to advocating for social justice remains steadfast.

Thank you once again for the incredible opportunity to serve in this capacity. I am genuinely grateful for the experiences and relationships forged during my time as Senator of Social Justice. I wish the team continued success in all their future endeavors.

Sincerely,

Leniha LaGarde
