**VI. Outstanding Business.**

**VII. New Business.**

- a. Discussion

i. Student Government Dropbox

1. Steven spoke briefly on the new Student Government DropBox account. He then collected the names and e-mail addresses of all those who had not yet been invited to this account and invited them.

jjj. Student Fee Referendum Tabling

1. David informed the Senate that there not enough members of the Student Fee Advisory Committee available to handle the tabling for the Referendum on Monday and Tuesday, and asked any members of Student Government who were available to show up and help. Those members who volunteered were asked to put down their availabilities, and a schedule was made.

iii. Get Out the Vote Activism

2. David then spoke briefly on the need for everyone in Student Government to encourage students to go and vote on Election Day. If anyone is unclear of whether or not they can vote on campus, they should direct them to Country Registrar website to check voting location.

- b. Action Items

i. Appointment of Associate Justice- Sarah Huda

1. Steven- Sarah is not here, Geoff will be speaking on her behalf. Motion by Ashley, I seconds by Kristina, Geoff has a few minutes to talk about Sarah. I informed her that she did not have to come today, she did not join sg because Monday mornings don't work for her. I was impressed, associate justices should be able to make hard decisions, she has familiarity with parli-pro, I really liked that she is lenient about following the rules, willing to do hard work, writing, she wants to be part of sg and she can meet on Fridays. KC- I think Sarah would be great for this position. Passion for sg. Vote- unanimous.

- c. Presentation:

i. Introduction of Interns- David Ashley.

1. David informed the Senate that there were several interns hired to help out with SG related affairs. Only one was present, Marina, who will be the Senate intern.

i. Jonathan Neira- Special Networking Opportunities

1. Jonathan was not able to attend the meeting as he was not feeling well. He had planned to speak on Alumni and Friends. Steven gave the Senate an overview of the organizations goals and what it offers to students of CI. Alumni and Friends serves the students of CI by offering real world connections to students looking for an upper hand in their career fields.
