Nick attended a roundtable on voter registration, where members from the present campuses shared ideas on how to draw more attention to the cause of voter registration. Dave attended Campus Issues roundtable, where he gathered thoughts and experiences from others regarding CI's current issues focusing on skateboarding and smoking on campus. Dave discussed briefly the CHESS Committee, which will be shifting focus away from leadership development to just lobbying and political advocacy. CHESS is still looking for location to hold their conference, whose theme will be the Made in the CSU campaign.
