

HLTH 499 Health Science
Capstone invites you to a

FOCUS GROUP DISCUSSION

Topic:

*Have a say on your
community health
needs*

Delve into a discussion on what areas of our community have many strengths and areas that could be improved on.

*Duration time for focus group:
No more than 1 hour*

**Let your
voice be
heard**

Why Participate?

- 1** Influence Change: Your insights will directly impact the development of community needs within Ventura County.
- 2** Understand the Community: Your reflections will help us understand the community's culture, social structure, and strengths.
- 3** Be Heard: Your opinions will shape decisions that matter.

**Location and time will be
determined by the end of
February**

*If interested in joining or if in need for more
information, please contact using the address
below:*
