IN THE SENATE OF CSUCI STUDENT GOVERNMENT

APRIL 5, 2017

Senator Hunt (for himself) introduces the following legislation.

---

## RESOLUTION

To endorse the adoption of a Political Communication Emphasis in the existing Communication major for the purposes of expanding the popular Communication major as well as increasing graduation rates for students studying Communication and Political Science.

Whereas The CSU Channel Islands mission is to facilitate learning within and across disciplines through integrative approaches; and

Whereas, CSU Channel Islands would become the first and only four year university in the State of California to offer a program of this nature; and

Whereas, the 2025 Graduation Initiative aims to increase graduation rates for all CSU students; and

Whereas, students have expressed a desire in the additional emphasis in the Communication major; and

Whereas, Student Government's role is to make sure the CSU Channel Islands mission statement is being upheld, as well as representing the students voices to faculty, and staff.

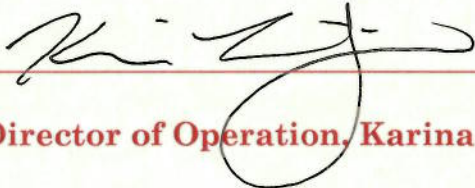

1 *Resolved*, Student Government supports the adoption of a new Political Communication Emphasis in the  
2 Communication Major
