

SG Voting Registration!

Why are we doing this?

Empowering Student Voices Through Voting.

- Students are directly impacted by local and state decisions such as education, housing, transportation, and healthcare.
- Many students aren't registered or miss deadlines — we can change that.
- As Student Government, we're in a unique position to lead by example.
- Registration Deadline: October 20, 2025
- Election Day: November 4, 2025
- Goal: Make voter registration accessible, visible, and student-led.
